

# Lifetime RAISED PANEL

## Molded Panel Doors

Fully Primed

**FACES:** Compressed resin wood-fiberboard, bonded under pressure to supporting blocks, stiles and rails. All faces prime coated.

**CORE:** Full size supporting blocks are placed wherever necessary for added strength or rigidity. Lock blocks are included for installation of hardware. Stiles and rails are made of USA Softwood or Fiberboard, mill option.

**ADHESIVES:** Lifetime all purpose glue.

**FINISHES:** All panel doors are fully factory primed. Natural, Harvest, Mesa, Canyon and White prefinish available in Colonist.

**SHORT FORM SPECIFICATIONS:** Hollow, Solid or Bifold panel doors shall have faces & all edges fully primed, as manufactured by Lifetime Doors, Inc.
